Global Journal of Bio-Science and Biotechnology-(GJBB)

Research Articles

Allelopathic and mitodepressive effects of Parthenium hysterophorus L. Leachates on ornamental sunflower
Hridya Mohanan & K. Rajendiran ..........................................................1-5

Comparative effects of propolis and malic acid on hematological parameters of aluminum exposed male rats
Majida A.J. Al-Qayim1, Laith Sadiq Ghali1 & Tahani S. Al-Azawi2 ..........................................................6-11

Status of exploitation and regeneration of mangrove forests in Pemba Island, Tanzania
Haji Massoud Hamad1,2, Islam S.S. Mchenga2, Mariam Issa Hamisi3 ....................................................12-18

Assessment of soil seed banks in semi-arid regions, Sudan
Ali K. Elsafori1 & Mona H. Abdllah2 ..........................................................................................19-22

Study of pathological effects of crude extract of Portulaca oleracea L. In the treatment of transplanted mammary tumor in female albino mice immunized with Candida albicans Ag.
Omar, H. Khalaf, Khalil, H. Al. Jeboori1 & Nahy, Y. Yaseen2 ..........................................................23-27

Antitumour and radioprotective activity of aloe vera
S. V. Megha1 & B. Annadurai2 ..........................................................................................28-33

Differential morphometric patterns of Apis mellifera and adaptation to climatic variations in Kwara State, Nigeria
A.M. Ajao1, Y. U. Oladimeji2, S.K. Babatunde1 & A. Obembe1 ...........................................................34-40

Molecular-pathological study in the effects' of Vincristine sulfate drug on DNA of sperm and spermatogenesis in mice
Muna S. Hashim, Khalil H. Al. Jeboori & Ban, A.M. ...........................................................41-44

Ameliorative role of vitamin-C against dimethoatetoxicity in air breathing fish, Clarias batrachus (Linn.)
Saraswati Dubey1, Renu Shrivastava1, Rajendra Chouhan2, Arun Raghuvanshi1 & Vinoy K. Shrivastava1 ...........................................................45-50

An evaluation of melatonin as antioxidant in Iraqi patients with hyperthyroidism
Faleh abullah Khdheir1*, May Al-Sabbagh1 & Salim Al-Rubeiee2* ........................................................51-55

Immunopathological study on the effects of Vincristine sulfate in white mice and rats
S.H. Muna1, Khalil H.AI.Jeboori1 & A. A. Ban2 ........................................................................56-62

Population status of white throated monkey (Cercopithecus erythrogaster pococki) in Okomu National Park of Nigeria
F. O. Obasogie1 & B. G. Ogunjemite2 ........................................................................................63-69

Groundwater quality assessment for agricultural suitability from Purna river sub-basin area, Maharashtra
S.P. Khodke1, P.W. Deotare2, R.C. Maggirwar2 & B.N. Umrikar3 ......................................................70-73

Insecticidal activity of native soap on cowpea (Vigna unguiculata (L) Walp) insect pests in Asaba and Abraka, Delta State, Nigeria
E.O. Egho, E.C. Enujeke & S.A. Dialoke ..................................................................................74-80

Media optimization for the growth and expression of protein yield in culture recalcitrant plant Cicer arietinum L. (chickpea)
Shuchi Kaushik1, Rajesh Singh Tomar1, Udita Tiwari2, Ambika Goyal2, Archana Shrivastav3 ..............81-83

Effect of addition of Iraqi probiotic on blood parameters in Awassi lambs feeding barley straw
Screening, optimization of medium and solid state fermentation for L-asparaginase production
P. B. Pawar¹, K. G. Joshi¹, R. M. Khobragade¹, A. M. Deshmukh¹ & N. N. Adhapure² .................................. 91-96

Tree barks as a source of natural dyes from the forests of Madhya Pradesh
Ravi Upadhyay & Mahendra Singh Choudhary ................................................................. 97-99

Dus descriptor of seventeen forage cultivars of sorghum [Sorghum bicolour (L.) Moench]
Swapnil Raghuvanshi¹, Dharanendra Swamy¹, S. Mahadevakumar², O.P Singh³ ................................ 100-108

Virulence determination among vibrio harveyi hatchery isolates through haemolysis and growth constraint
K. Ramesh, M. Natarajan, H. Sridhar & S. Umamaheswari* .................................................. 109-114

Short Communication

Meeting the millennium development goals through integrated water resources management for sustainable agricultural productivity in Nigeria
A. J. Oloruntade & F. O. Ologunagba* .................................................................................. 115-121

Improvement of papaya production using genetic engineering: A revolution
Lincoln Mandal¹, Pooja Sahu², Ajit Kumar Mannade¹ & Jawhar Lal Katara³ ........................................ 122-123

New record of genus Catoptrus A. Milne Edwards, 1870 from Indian coastal waters
S. Shrinivaasu, K. Venkataraman & C. Venkatraman .............................................................. 124-125

Root-knot disease and its management in brinjal
S.K. Zareena & V. Vanita Das ...................................................................................................... 126-127
