

## Review Articles

## Research Articles

- Importance of nitrogen application in crop production – A brief review  
<sup>a</sup>M.F. Baqual, <sup>a</sup>Nadiya Mushtaq, <sup>a</sup>Saqib Farooq and <sup>b</sup>Huma Habib ..... 1-7
- Assessment of spatial and temporal variations in the river water quality  
<sup>a</sup>Ramya, A., <sup>b</sup>Gopalakrishnan B. and <sup>b</sup>Dhevagi, P. .... 8-12
- Use of traps and baits in the management of cucurbit fruit fly, *Bactrocera cucurbitae* (Coquillett)  
A.M. Manoj, S. Sridharan, K. Elango and M. Muthukumar ..... 13-15
- Effect of selected lactic acid bacteria and yeast starter culture combinations on quality of Idli batter and Idli  
<sup>\*</sup>Momin, J.K. and Singh, C.R. .... 16-21
- Effect of gametocides on induction of pollen sterility in tomato (*Solanum lycopersicum*.L) var. PKM 1.  
<sup>a</sup>A. Beulah and <sup>2</sup>N. Abila ..... 22-26
- Influence of runoff storage on water use efficiency and production efficiency in hill and valley area of Bundelkhand  
Kaushal Kumar and Mayank Kumar ..... 27-29
- Performance evaluation of palmyrah palm jaggery disintegrating unit  
M.T. Nighitha, and I.P. Sudagar ..... 30-32
- Companion cropping of cabbage and radish with tomato for enhancing productivity of vegetable  
Amar Singh, R.A. Singh, V.K. Kanaujia and V.B. Jaiswal ..... 33-35
- Effect of stage and period of preharvest bagging on fruit retention and some quality attributes in mango (*Mangifera indica* L.) cv. Alphonso  
<sup>a</sup>Malshe, K.V. and <sup>b</sup>Parulekar, Y.R. .... 36-38
- Inheritance of blast disease (*Magnaporthe grisea*) resistance in indica rice (*Oryza sativa* L.) CV. HUR 4-3, Tetep and their segregating generations  
<sup>a</sup>Ravish K. Singh, <sup>a</sup>, <sup>b</sup>\*Prakash Singh, <sup>a</sup>Ravi P. Singh, <sup>c</sup>Ram Lakhan Verma, <sup>a</sup>Prashant Singh,  
<sup>a</sup>Namrata, Pandurang <sup>a</sup>Arsode, <sup>d</sup>R.K. Singh and <sup>c,e</sup>Onkar N. Singh ..... 39-45
- Influence of split application of npk on mulberry leaf yield and nutrient uptake under temperate climatic conditions of kashmir  
S. Nooruldin\*, Afifa, S. Kamili, M. R. Mir and Sharma, R. K. .... 46-52
- Genetic diversity of citrus germplasm in northeastern region of india  
A.C. Barbora, Sikha Deka\*, R.K. Kakoti, J.P Dutta, A. Gogoi, and J. Saikia ..... 53-61
- Biochemical evidences to establish the possible interaction between host plant *oroxylum indicum* and endophytic fungus *geotrichum pseudocandidum*  
<sup>a</sup>Mamta Gokhale, <sup>b</sup>Rumana Faraz, <sup>b</sup>Ragini Gothwal, <sup>b</sup>Isha Deshpande ..... 62-67
- Surgical management of oesophageal obstruction in a black kite (*milvus migrans*) – a case report  
<sup>a</sup>Dinesh Nagar and <sup>b</sup>Nidhi Rajput ..... 68-71
