

## Review Articles

## Research Articles

- Disregulation of inflammatory cytokines for Iraqi diabetics with moderate renal failure  
Inaam Ahmed Amin ..... 197-201
- Estimation of chemotherapy effect on  $\beta$ -hCG level in molar pregnancy  
<sup>a</sup>Mayada M. Moustafa, <sup>a</sup>Seenaa S. Amin & <sup>b</sup>Rawaa Dawood al-janabi ..... 202-204
- Ultrastructural studies on the sub-lethal effects of arsenic trioxide on gills of freshwater fish,  
*Ctenopharyngodon idellus* (Val.)  
Shista Sharma & Rawal, Y. K. .... 205-208
- Investigate the optimal production conditions of fumonisin B1 from local isolation of *Fusarium*  
*verticillioides*  
<sup>a</sup>Sinai W. Mohammed, <sup>b</sup>Khalid A. Habib & <sup>c</sup>Salim R. Al-Obaidie ..... 209-215
- Seasonal incidence of *Aeolesthes holosericea fabriciusi* (coleoptera: cerambycidae) on apple plantations  
(*Malus domestica borkh.*) and its relation with important weather factors in Jammu Province, India  
<sup>a</sup>Ruchie Gupta & <sup>b</sup>Ravinder Sharma ..... 216-219
- Evaluation of sugarcane (*Saccharum* Spp. Complex) mutants for yield, yield contributing traits and  
quality parameters  
Gadakh, S.S., Patel, D.U. & Patil, A.B. .... 220-228
- Detection and prevalence of virulence markers of *E. COLI* isolated in and around erode.  
<sup>a</sup>Sarath Chandra Kandekar, S. & <sup>b</sup>Chandra Sekaran, S. .... 229-231
- Dermatoglyphic and oral cancer – Are they related  
<sup>a</sup>Geeta Sharma, <sup>b</sup>Randhir Singh, <sup>a</sup>Manu Gupta, <sup>c</sup>Manish Gupta, Vijaya Dhar & Meenu Taneja ..... 232-235
- Behavioural adaptations of small-holder farmers in soil erosion endemic areas of Imo State, Nigeria  
<sup>a</sup>Aja, O.O., <sup>a</sup>Ani, A.O., <sup>a</sup>Matthews-Njoku, E.C. & <sup>b</sup>Ifeanyi-Obi, C.C. .... 236-242
- In vitro evaluation of antioxidant properties of sugarcane extracts rich in dietary nucleotides  
Swati D. Sonkawade & <sup>a</sup>Gajanan Naik, G.R. .... 233-250
- Studies on the patterns of the first developmental marker event, hatching in the commercial mulberry  
silkworm, *Bombyx mori* L.  
Suvarna, G., Raghavendra, K., aShanthan Babu, M.A., aSrinath, B., \*Lakshminarayana Reddy, P.  
& Sankar Naik, S. .... 251-256
- Integrated application of biofertilizer in increasing growth, nodulation and productivity of lentil (*Lens*  
*culinaris* Medikus) in red and lateritic soils of West Bengal  
P. K. Biswas ..... 257-259
- Ecology and seasonal dynamics of occurrence of nematode parasite *Paraleptus jammuensis* in alimentary  
canal of fresh water fish host *Mastacembelus armatus* from a tributary of Poonch River of J & K State  
Aurangzeb Anjum ..... 260-265
- A new nematode species (*Paraleptus jammuensis*) Sp. N. (*Physaloptoridae* ralliet, 1895) and first host  
record from the state of Jammu & Kashmir, recovered from fish host *Mastacembelus armatus*, from a  
tributary of freshwater River Poonch.  
Aurangzeb Anjum ..... 266-272
- Virulence factors of *E. coli* and their association with drug resistance – A primitive study  
<sup>a</sup>Sarath Chandra Kandekar, S. & <sup>b</sup>Chandra Sekaran, S. .... 273-276

Bacteriological profile and drug resistance patterns of otitis media patients  
Maha Adel Mahmood ..... 277-280

**Case Study**

Herpes zoster of right maxillary division of trigeminal nerve along with oral manifestations in a 46 year old male.

<sup>a</sup>Richa Wadhawan, <sup>a</sup>Kaushal Luthra, <sup>a</sup>Yehoshuva Reddy, <sup>a</sup>Manas Singh, <sup>b</sup>Juhi Jha  
& <sup>c</sup>Gaurav Solanki ..... 281-284

**Short Communication**
