

## Review Articles

## Research Articles

- Genetic variability and correlation studies for yield and quality traits of elite medium duration rice (*Oryza sativa* L.) hybrids  
O. Rajasekhar Reddy, Gabriel M. Lal and Sapna S. Lal ..... 165-173
- Socio-economic profile of self-help groups in Mewat District of Haryana State  
<sup>a</sup>Shanki Kamboj, <sup>a</sup>Malik, J.S., <sup>a\*</sup>Pawan Kumar and <sup>b</sup>Mujahid Khan ..... 174-179
- Characterization and identification of phyllospheric bacterial isolates of wheat (*Triticum aestivum*)  
Ojha, R.K., Jha, A.K. & JHA, S.K. .... 180-185
- Characterization and identification of phyllospheric bacterial isolates of rice (*Oryza sativa*)  
Ojha, R.K., Jha, A.K. & Jha, S.K. .... 186-191
- A study on extent of participation in selected dairy management practices by women members and non members of milk producer cooperative societies in Bidar District of Karnataka State  
<sup>a</sup>Mr. Maruti, <sup>b</sup>Goudappa, S.B., <sup>c\*</sup>Reddy, B.S. and <sup>d</sup>Meti, S.K. .... 192-200
- The percentage of (ABO) blood groups in Iraqi participants with different periodontal diseases  
<sup>a</sup>Suzan Ali Salman, <sup>b</sup>Dina Ali Zuhair & <sup>b</sup>Duaa Mazin ..... 201-203
- Screening of distiller's dried grains with solubles (DDGS) for total aflatoxins using thin layer chromatography (TLC)  
<sup>a</sup>Pule Addison, M., <sup>a\*</sup>Sarathchandra, G., <sup>a</sup>Vijayakaran, K., <sup>a</sup>Pothiappan, P., <sup>b</sup>Ezhil Valavan, S., <sup>c</sup>Tensingh Gnanaraj, P. & <sup>d</sup>Preetha, S.P. .... 204-207
- Effect of rumen protected fat supplementation on dry matter intake, peak milk yield and post-partum oestrous in lactating Murrah buffaloes  
<sup>a</sup>Harish Rohila, <sup>a</sup>Chhikara, S.K., <sup>b</sup>Sushil Kumar & <sup>b</sup>Vinus ..... 208-211
- Screening of barley (*Hordeum vulgare* L.) Genotypes for physiological traits under drought stress  
<sup>a\*</sup>Naveen Kumar, <sup>a</sup>Yogender Kumar, <sup>b</sup>Kirpa Ram and <sup>b</sup>Renu Munjal ..... 212-216
- Assessment of genetic diversity of okra (*Abelmoschus esculentus* L.) for YVMV using RAPD and SSR markers  
<sup>a</sup>Patel, J.S., <sup>b</sup>Japda, A.R. & <sup>c</sup>Dhruve, J.J. .... 217-223
- Improving the acidic perspiration and alkaline perspiration fastness of eucalyptus bark natural dye on cotton with various dye fixing agents  
R. Prabhavathi, A. Sharada Devi, D. Anitha & A. Padma ..... 224-230
- Factors affecting first lactation production efficiency traits of Frieswal cattle  
Simran Singh, Dibyendu Chakraborty\* and A. K. Das ..... 231-233
- Adoption behavior of integrated pest management (IPM) among chilli farmers in Raichur district of Karnataka  
<sup>a</sup>Mahalakshmi, S.M., <sup>b</sup>Tulasiram, J., <sup>b</sup>Shivanand Kammar and <sup>c</sup>Arun Kumar Hosamani ..... 234-237
- Studies on the efficiency of salicylic acid (SA) as foliar spray on growth, yield and yield components of onion (*Allium cepa* L.)  
<sup>\*</sup>Saurabh Dixit, A.K. Dubey and H.V. Dube ..... 238-240
- A study on aspirations of buffalo farmers and its relationship with socio economic variables in Andhra Pradesh  
D.V. Sivaji\*, K. Natchimuthu, S. Ramkumar, D. Sreekumar, R. Ganesan ..... 241-243

Studies on yield, economics and energetics of rice ( <i>Oryza sativa</i> L.) In relation to establishment systems and site specific nitrogen management approaches Bhavya, M.R. & Dinesh Kumar, M. ....	244-249
Calculation the air pollution tolerance index of Eucalyptus plant in Baghdad city Wafaa A. AlObaidy, Adel M. Rabee .....	250-254
Effect of vitamin E and selenium on reproductive parameters of Frieswal cows <sup>a</sup> Madhu Shivhare , <sup>b</sup> Nema , S.P., <sup>c</sup> Gupta, V.K., <sup>d</sup> Mehta, H.K. and <sup>e</sup> Reshma Jain .....	255-257
Relationship of residual feed intake with dry matter intake of growing buffalo calves <sup>a</sup> Vikramjeet Singh, <sup>a</sup> Jyotsana Madan, <sup>b*</sup> Ravi Kumar, <sup>b</sup> Suresh Kumar Chhikara & <sup>c</sup> Yogesh Chandrakant Bangar .....	258-263
Revalence of pathogenic parasites in river water in Diyala Province Zainab A. Makawi .....	264-267
Principal component analysis for agro-morphological and quality characters in germplasm of rice ( <i>Oryza sativa</i> L.). <sup>a</sup> Ravi Yugandhar P., <sup>b</sup> Suneetha Kota <sup>c</sup> Usha Kiran, B. and <sup>d</sup> Sridhar, M. ....	268-273
Polypocephalus rakhmajii N.Sp. Trygon sephen (Cuvier, 1871) at Bhagawati Dist Ratnagiri M.S. India R.R. Dandawate. ....	274-276
Evaluation of different egg quality parameters for the effect of dietary supplementation of salts of organic acids mixture on laying hens <sup>a</sup> Dahiya, R., <sup>b</sup> Berwal, R.S., <sup>c</sup> Lalit, <sup>b</sup> Sihag, S., <sup>d</sup> Dalal D.S. and <sup>e*</sup> Patil, C.S. ....	277-282
Microbiological examination of corneal ulcer in dogs Priyanka Pandey, A. Shahi & A. Nayak ,.....	283-285

### **Case Study**

Retention of fetal membranes in dairy bovines: still a bottleneck in parturition <sup>a*</sup> Prasanta Boro, <sup>b</sup> Kumaresan, A., <sup>c</sup> Madkar, A.R. <sup>c</sup> Naha B.C. & <sup>d</sup> Susavi kumari, .....	286-292
Surgical management of prostatic tumor in a dog Priyanka Pandey .....	293-295

### **Short Communication**
