Research Articles

- Bio diversity of insects and their distribution pattern in Miyawaki plantation of Coimbatore, Tamil Nadu
^aGoveanathan, A.S., ^{b*}Sugumaran, M.P., ^cBuveneswaran, C., ^dRadhakrishnan, S., ^eJeyakumar, P. and ^fThangavel, P. 265-269
- Biochemical and biophysical characteristics of brinjal for resistance to shoot and fruit borer (*Leucinodes orbonalis* guenee)
^aRameshkumar, D., ^{b*}Swarna Priya R., ^cMuthukrishnan, N., ^dRavikesavan, R. and ^eSavitha, B.K. 270-274
- Screening of certain genotypes and advance cultures of groundnut against groundnut bruchid (*Caryedon serratus* O)
^{a*}Manjunath, J., ^bManjula, K., ^cVasanthi, R.P., ^dNaik, K.S.S., ^bHariprasad, K.V., ^cMuralikrishna, T., ^cPrasad, T.N.V.K.V., and ^bRavindra Reddy, B. 375-379
- Debates around gm technology: challenges and opportunities of genetically modified crops in India
Reena K Joseph 280-283
- Occurrence, classification, methods of fixation and outcome of long bone fractures in dogs: A review of 342 cases
Mohammed Arif Basha K., ^{*}Kiranjeet Singh, Aswathy Gopinathan, Sarangom S.B., Sowbharenaya C., Swapna C.R., Sasikala R., Akshay K. and Naveen Kumar 284-291
- Performance of different cultivars of wheat (*Triticum aestivum*) on productivity and profitability under irrigated conditions of riverine tract of central U.P.
Khalil Khan, H.G. Prakash , D.P. Singh , Anil Kumar and B.P. Singh..... 292-294
- Sustainable management of physico-chemical properties of sodic land through organic amendments
Khalil Khan, H.G. Prakash , D.P. Singh , Anil Kumar and B.P. Singh 295-297
- Comparative efficacy of liquid biofertilizers over carrier based formulations in sugarcane plant –Ratoon sequence
Ch. S. Rama Lakshmi ^{*}, A. Sireesha, T. Sreelatha, M. Bharatha Lakshmi & P. Jamuna 298-301
- Zero cost technology for increasing the yield of Indian mustard
^aR.A. Singh, ^bS.K. Srivastava, ^aSankar Singh, ^cI.P. Singh, ^aJitendra Singh and ^aRajesh Rai 302-304
- Effect of integrated nutrient management on growth and seed yield of field pea (*Pisum sativum* L)
^{*}Mahesh Chand Sutar & Hukam Singh Kothyari 305-308
- Antibacterial, antioxidant and phytochemical analysis of ripe and unripe banana peel
^aVaishali Dange, ^bSanjay Harke, ^cMansi Narladkar, ^dAjay Narwade and ^eAnruni Mohanty 309-317
- Evaluation of mechanical and chemical weed management in rice
Gangwar, S. K. & Reyaz Ahmad 318-322
