Review Articles

Genetic and non-genetic factors affecting milk composition in dairy cows
\(^a\)Prasanta Boro, \(^b\)Binoy Chandra Naha, \(^c\)Chandra Prakash, \(^4\)Ambadas Madkar, \(^5\)Narender Kumar,
\(^6\)Anjali Kumari & \(^7\)Ganga Prakash Channa .......................................................... 170-174

Interaction of Vit-A and zinc in animal nutrition
\(^8\)Binoy Chandra Naha, \(^9\)Prasanta Boro & \(^c\)Chandra Prakash ........................................ 175-179

Research Articles

Efficacy of organic fish farming for sustainability
\(^a\)Beg, M.M., \(^b\)Mandal, B., \(^c\)Moulick, S., \(^d\)Mukherjee, C.K. & \(^e\)Mal, B.C. ........................................... 180-187

Antagonistic activity of actinomycetes isolated from soil samples of Satara District, Maharashtra, India against selected human pathogens
\(^a\)Sachin Ghadge & \(^b\)Ravindragouda Patil ................................................................. 188-194

Combining ability studies for development of new hybrids in chilli over environments
\(^a\)Kranti Rekha, \(^b\)Naram Naidu, \(^c\)Venkata Ramana, \(^d\)Umajyothi, \(^e\)Paratpararao, \(^f\)Sasikala, K. ................................................................. 195-201

Evaluating students’ misconceptions of photosynthesis and respiration in a Ghanaian Senior High School
Y. Ameyaw ........................................................................................................ 202-209

Computer-assisted instruction (CAI) as an alternative instructional tool for improving the teaching and learning of blood circulation in humans
Ameyaw, Y. & Agbotse, S. ..................................................................................... 210-218

Influence of summer heat stress on oocyte developmental competence in Jersey crossbreds and nondescript indigenous cows
\(^a\)Himangshu Raj, \(^b\)Giasuddin Ahmed & \(^c\)Devojyoti Dutta .......................................................... 219-223

Immunological study on mice experimentally infected with Shiga toxin-producing E. COLI O26
\(^a\)Khalil H. Al- Jeboori & \(^b\)Ahmed Sami Jarad .......................................................... 224-231

Ecological evaluation of the effects of different soil moisture conditions on the efficacy of psuedomin in the bioremediation of diesel fuel contaminated derno-podzoluvisolic soil
aAlonge, O.O. & bVasenev, I.I. ................................................................. 232-235

The role of specific IgE antibodies for Aspergillus fumigatus allergens in patients with severe asthma
\(^a\)Ayad Salih Mahdi, \(^b\)Amer R. Alnajjar, \(^c\)Amina N. Thwani & \(^d\)Abdul -Hameed A . Al-Qaseer ........... 236-238

Histopathological effects of different doses of anabolic androgenic steroid (sustanon) on liver and testis of male rats
Ahmed Bahlol Majhool & Khalil H. Zenad ................................................................. 239-246

A comparative study of lead and mercury in the ambient air in pantnagar university employing moss Thuidium cymbifolium (Dozy & Molk.) Dozy & Molk.
\(^a\)Vrinda Negi & Vir Singh .................................................................................. 247-252

Capability of NDVI technique in detecting mangrove vegetation
Subhanil Guha ................................................................................................. 253-258

Determination of phytochemicals and in vitro antioxidant of different extracts of Himalayan cypress (Cupressus torulosa D.Don) needles
Kapil Khulbe, \(^a\)Urvashi Verma & Pritee Pant .......................................................... 259-266
Assessment of economic impacts of tourism in the tourist area of Gulmarg India
Irfan Nabi ........................................................................................................267-269

Changes in fat body lipid level during pupal and adult stages of distinct bivoltine and multivoltine breeds
of the silkworm, Bombyx mori L.
Ramya. M.N. & Jagadeesh Kumar, T.S. .............................................................270-277

Farmers awareness and adaptation measures against climate change
*Sujith G.M., Shankara, M.H. & Shivamurthy, M. ..............................................278-281

Genotypic characterization of bacteria associated with Clarias gariepinus From Idogo Station Yewa
River and their haemolytic activities
aOloyede , A.R., aEkelemu, J.K., bAkinwumi, A.A., aOyelakin O.O. & bWojuade, D. P. ..........282-287

Correlation and path analysis for yield and yield contributing characters in garlic (Allium sativum L.)

Economic analysis and growth indices of different seed rates and varieties of mungbean (Vigna radiata
L.).
Jamana Lal Jat, Vikram Singh & Bheru Lal Kumhar ..................................................292-295

Microbial properties and soil enzymatic activities as influenced by integrated nutrient management and
supply in finger millet–maize cropping sequence of eastern dry zone of Karnataka
*Sujith, G.M. Sudhir, K & Shivaraj, B. .................................................................296-299

Combining ability studies for yield and its attributing characters in maize (Zea mays L.) Over
environments
Varaprasad, B.V. & Shivani, D. ........................................................................300-305

Grain yield and quality parameters of maize (Zea mays L.) As influenced by manuring and fertilisation in
finger millet – maize crop sequence of Alfisols of Karnataka
*Sujith G.M., Sudhir, K. & Shivaraj, B. .................................................................306-308

Ecological study on macrozoobenthic community of Anchar Lake
aMohammad Farooq Mir, aNasrul Amin, bAnis Ramzan, cNoor Mohammad Malik, Manzoor
Ahmad bBhat, dMuzamil Bashir ........................................................................309-312

Effect of the thermal changes on physiological, biochemical and histological traits in pregnant and
embryo of New Zealand White Rabbits
Sabah A.H. Abd Al-Rahman & Dalal Abd Al-Sattar Asaad Baqey ..........................313-327

Determination of lethal dose and effect of gamma ray on germination percentage and seedling parameters
in ADT (R) 47 rice
aRajarajan, D., bSaraswathi, R. & cSassikumar, D. .................................................328-332

Comparative invivo study between zamzam water and magnetic water in carcinoid and normal cells
Aseel Abdullah Ibraheem Abdullah & Tahani Salman Al-Azawi 333-337

Case Study
Short Communication
